

# chef's 6 course meal

4,000

## Snack

Vegan cheese of two kinds

## Ukishima original bagna cauda

Organic vegetables and bagna cauda source of Japanese millets.

## Seasonal assorted appetizer

## Today's soup

## Selectable main dish

### Black paella of Hemp charcoal and brown rice

This paella uses the organic black rice with organic brown rice of Iriomote island.

Please enjoy taste of the olive oil with an olive from Okinawa.

### Harvest meat hamburger steak

Our vegan 'harvest meat' using the Takakibi (millet) from Hateruma island and barley from Yomitan. The combination with handmade demiglace sauce is the best too!!

### Specialty veggie taco rice

Okinawan tofu is used to make it look exactly like the famous Okinawan food, but vegan and healthier! The handmade salsa sauce includes a lot of Okinawan vegetables so it provides nutrition.

## Dessert

Ice cream of rice and Vegan cake

※Please order one course per person

※Minimum one order of drink required

※All prices are exclusive of taxes
